

# AUSTRALIA & NEW ZEALAND SPINAL CORD SOCIETY Registration Form

Annual Scientific Conference 2009

25 – 27 November 2009  
Perth Convention & Exhibition Centre  
Western Australia

---

## Dear Colleague,

Perth is again honoured to host the Annual Scientific Meeting of the Australia and New Zealand Spinal Cord Society. This year's meeting promises to combine a varied program reflecting the multi disciplinary nature of spinal paralysis care.

The continuing advance that the scientific community here and overseas is achieving through research will also be highlighted within the program through the ANZSCIN symposium.

Our venue, the Perth Convention and Exhibition Centre provides a spacious and well appointed meeting place for both the formal and informal parts of the program.

May I extend a welcome to all participants – whether presenters, sponsors or delegates.
